

Bluegrass & Nature

McLean County is a rural and mostly agricultural county in the Bluegrass region of Kentucky.

More information about the importance of Forestry to McLean County.

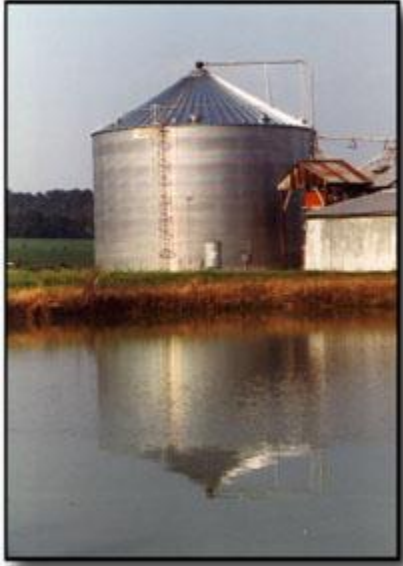

QUILTED BARN: The Pinkston & Abney families in McLean County have added a touch of whimsy onto their farm's barn. A quilt design has been added to their barns similar to those of the Kentucky Barn Trail in eastern Kentucky, Ohio and Tennessee, called the "Clothesline of Quilts".
