Katy is medically retired and living at home with former deputy /
handler Brad McDaniel.

Retired K-9 "Chezcko"

Officially Retired from the McLean County Sheriff's Office December 23, 2014

Chezcko is happily retired living the good life at home with his handler/owner Deputy Tim
McCoy. Since Chezcko was assigned Patrol with Deputy McCoy it was a natural choice for him to
retire with his last handler. Although Chezcko was at the top of his game his medical issues

involving his hips were the reason for retirement. Chezcko's bark is greatly missed on the radio by us all. Happy Retirement buddy!
